Welcome to the Q3 Academy Tipton Spring Seasonal Challenge! The purpose of this booklet is to give you an opportunity to continue your Pursuit of Excellence outside of the normal Academy day. This booklet replaces formal homework in all subjects except for English, Maths, Science, French, Geography and History.

Parents and carers, we would like to ask you to monitor your child's progress, sign when tasks are completed and support your child in any way possible. Our Pursuit of Excellent is a group effort and we are stronger together.
